Jack,

Hello! I know we have a call coming up, but I wanted to send over some information I wanted to ensure you were aware of in case it helps.

I included the following information in this email:

- IBM Envizi Community – Designed to provide IBM and Customer Insight (blogs, events, etc.).
- Envizi Support
- Envizi Ideas Portal
- Link to Envizi's knowledgebase

I will also send a calendar invite for monthly calls going forward.

IBM Envizi RFE process – instructions on the process to request any enhancements or Envizi product requests.

Envizi Support – Information to access the IBM Support HelpDesk.

Envizi Community - We have just launched an **Envizi** group on IBM Communities.  This is the go-to spot for our users to discuss, blog and catch events. We would appreciate any comments you may want to add. You can join the Sustainability community and navigate to the ESG Data & EI community where Envizi sits https://community.ibm.com/community/user/envirintel/home

Envizi knowledge base: provides information and "how to" for all of Envizi - https://knowledgebase.envizi.com/home/

Please let me know if you have any questions.

Kind regards,
Carrie Gillespie
